

Hi!

I'M MRS. ANDERSON

Welcome to Third Grade!

I hope you had a great *summer* with your families! I know I did! I spent time with my husband, Ty and our two boys, Ethan and Nolan. We took a trip to Key West, Florida earlier this summer. Our family also spent many days at the pool and the park, soaking in the summer sunshine. It's been so much fun, but I'm ready to get back to school!

I am so excited to have you in our *class* this year and know that we are going to have a lot of fun *learning* and *growing* together! This is my tenth year of teaching and my fourth year at Wescott. I love our school and especially love everything about third grade.

This year in third grade you can expect to become an even better reader, writer, mathematician, scientist, and historian than you were before! You will learn Spanish, new technology skills, and keyboarding. You will also have new *responsibilities*, as you will receive your own iPad to use and take home. I can't wait to get this year started! *See you soon!*

A few OF MY favorites:
